

Monday 31<sup>st</sup> August .....

Squeezing and decorating with the play dough.

Continuing the torches and blanket we had puppets under the table.

Beginning counting and sorting, with the beads and number cards.

Colour wash painting with the crayons.

Spinning the little tops. Broke was able to make them spin.

At the computer today we had a timer which counted down our turn. This held the children to share the time happily.

Thanks to the many Dads who could come in to enjoy a hot dog with their children.
