

Wednesday 28th October...

Magic painting

The children enjoyed watching their crayon and wax drawings appear as they painted over them.

Puzzles

There are some challenging puzzles out at the moment. The children showed great perseverance in getting them finished.

Games

We were keen to try out the new games on the games shelf.

We talked about crocodiles. I showed the children some pictures of the crocodiles I saw in Darwin last week. We acted out the story of the old man who went on a crocodile hunt and started reading "The Enormous Crocodile" by Roald Dahl. It is a long story so we will read a few pages each Wednesday.
